**Age in Place...**

**Your Place  
Not  
Another Place**

We are not a new building  
or new neighborhood.

We are a community of  
volunteers helping our  
neighbors age at home  
while finding new means  
to connect with others.

We are volunteers who  
provide the kind of help  
you might ask of a friend  
or neighbor. We simply  
provide an extended  
network of friends and  
neighbors.

***A CULTURE-CHANGING  
APPROACH TO AGING!***

How can you become  
part of this new  
community of caring  
neighbors?

- **Full Members** – accepting neighbors' generosity to help stay independent, in their own home, and connected to neighbors.
- **Associate Members** – foreseeing future needs and supporting others now, while gaining social connection.
- **Volunteers** – focused squarely on assisting others, connecting personally and serving selflessly.
